Report ID: RPT-20261003-MUSSEH9Y

Detailed report · 1 selected slippage. Line = line number in the source file (header row = line 1). Column references give column number / spreadsheet letter. Variance = actual minus planned/expected.

1. Empty / Deadhead Miles — Cost impact: $1,756,213

$1,756,213 · 14,984 records

Reason: 14,984 records (30.0%) are flagged "Empty / Deadhead Miles" in the "Primary_Slippage" field of this file.
Recommended: Review the flagged records with the responsible team and confirm the root cause.
